

African Revival

Top Ten Fundraising Ideas!

Fundraising is a great opportunity to come together as a school and make a difference to your partner school, as well as a chance to have some fun! Some of the best ideas for fundraising come from the children themselves. But in case you need any help here are our top ten fundraisers for schools...

Cake Sale - These are always popular and can be a mixture of home made delights, cakes the students have made at school or tasty treats which have been bought from a shop

Give up your change – Ask pupils to bring in silver coins for the cause. Make it competitive by seeing which class can fill up a picture (picture of Africa or similar) with coins the fastest.

Sponsored hop, skip, bounce... Get everybody's heart's pumping and put on a sponsored sporting challenge to see how long people can keep up the momentum.

Sponsored spellathon – Raise money in the classrooms with a spelling competition. Students find sponsorship for every correct answer they give.

Talent Show – Wow the whole school with your beautiful singing voice, impressive gymnast skills or crazy dance moves in a one night only talent show. A great way to celebrate at Christmas or the end of the Summer term.

Africa Day – Organise your own Africa Day with food, music, dance, crafts and story telling from the fabulous continent. Children donate £2 to dress down and are sponsored to complete 5 tasks during the day (all available on our website!)

African Quiz – A general knowledge quiz all about Africa for students and parents.

Mad Hatter Day – Pupils and teachers alike can pay £1 to wear some crazy headgear to school for the day. Alternatively make it Crazy Tie Day or Slipper Day.

Treasure Hunt – Organise a treasure hunt around the school grounds. Test the map reading skills, riddle breaking skills and brain power of the contestants! Charge teams a small entry fee and have prizes for the top three teams.

Funny Face Competition—Take photos of every teacher pulling their funniest face to be displayed on a wall of shame. Pupils make a small donation to vote on the funniest face.

REMEMBER—WE ARE HERE TO HELP, WHATEVER YOUR FUNDRAISING IDEA.
